

The Jack & Jill Children's Foundation would like to extend a big thank you to all the schools who have supported us by registering for the Phones For Boards program. Your collections have directly benefitted the families of seriously ill children throughout Ireland.

If there is another product that your school would love to collect phones or games for then please contact us on 1850 525 545 or email ian@folamh.ie

ELECTRONIC EQUIPMENT

Sony Handycam HDR-CX360VE

DESCRIPTION

With its back-illuminated "Exmor R" CMOS sensor, the HDR-CX360V HD Handycam camcorder delivers superior low-light video. Full HD 60p recording capabilities offer incredibly detailed playback of your precious memories. The wide angle Sony G Lens lets you capture more of the action with sharp images and brilliant, accurate colours. Also equipped with 32GB embedded Flash memory, you can record and store up to 13 hours of high-definition video footage (HD LP mode). A vibrant 3.0" touch-screen display lets you compose and view your shots while a built-in GPS receiver gives you the ability to view your current location on the LCD map display, as well as "tag" your shooting locations.
