GALA UP THE HILL FOR JACK & JILL

We have quite an army to mobilise throughout September for our Gala Up the Hill for Jack & Jill. The 1700 families of our precious children supported since 1997; our extended family of 1000 nurses and carers around the country under the watchful eye of our 11 liaison nurses; the hundreds of schools, clubs and volunteers supporting us; the growing number of corporate partners, including Gala Retail, who are more than willing to give us that extra push up our fundraising hill.

The Gala Up the Hill for Jack & Jill is simple to do and will make a real difference to our fundraising drive between now and Christmas, but we need your help to make this happen. And please share your ideas with friends on facebook. We've got to get the national conversation going.

Throughout the month of September we are asking people to go up a hill for Jack & Jill. Any hill. Big hill, small hill, ant hill, treadmill, imaginary hill, emotional hill. People are hosting dinner parties and presenting a 'Hill of Food' to friends. Others are tackling a 'Hill of Work' like filing or washing up or ironing and tagging that as their Up the Hill for Jack & Jill.

All we ask is that people register and pay the €16 donation. Every €16 funds 1 hour of home nursing care for a sick child. It couldn't be easier.

This national fundraiser was born out of the efforts of John O'Sullivan in Kenmare who has been running his own Up the Hill for Jack & Jill for years, raising thousands of euro for us. Well done John and thanks for helping us to roll this hill out nationally.

What is your hill for Jack & Jill? For details and to sign up please log onto www.jackandjill.ie and get sharing those pictures and ideas soonest.

National Children's Hospital

As more and more flaws appear in the St. James' project and our parents become more distressed by the apparent intransigence of this Government to listen to them; an even worse disaster is about to suffocate the planned proposal. St. James were charged by the previous Minister for Health to produce a Master Plan for the development of their campus for the next 25 years before the Children's Hospital moves forward. This apparently still does not exist certainly not via Freedom of Information.

Without this document which has to confirm that there will be space available to build a Maternity Hospital on site and quickly, the Children's Hospital St. James project has to be halted in its tracks. We cannot be so irresponsible as to build one without co-locating a Maternity Hospital thereby endangering the lives of chronically ill babies year after year. Those politicians still promoting St. James should think hard and fast about placing future generations in such a tragic position.

Jack & Jill is delighted to have Toymaster's mascot, Toby, with us again this year. We are repeating our 'Toby on Tour' campaign from last year, where people are asked to visit their nearest participating Toymaster store and purchase a 'Toby' puppy to raise much needed funds for Jack & Jill and to share their picture stories online just like Sybil Mulcahy, Brendan O'Connor, and Tom O'Leary did. The proceeds will provide home nursing hours for 300 families nationwide with critically sick children. Toby puppies are available for €3 in 33 Toymaster stores nationwide and all proceeds from the sale of Toby will go to Jack & Jill.

Dubai Duty Free Derby Ball

Putting on the glitz! A night to remember was had by everyone at this year's Dubai Duty Free Irish Derby Ball at the K Club on 27th June. Jack & Jill was delighted to be the beneficiary charity for this year's ball which took place on the eve of the Dubai Derby at the Curragh Racecourse. With magic in the air and glitz and glamour in abundance for the black tie event, the evening included a drinks reception, sumptuous dinner, a quick auction and raffle with really fabulous prizes. The party atmosphere then continued as guests danced the night away into the early hours of the morning! Sincere thanks to all our sponsors and guests for helping us make it such a successful and enjoyable event.

Family Day

This year's Family Day brought 900 Cowboys and Indians to The Royal Hospital Kilmainham Dublin for an action packed day of fun. From bouncy castles to face painting, there was something there for everyone with the Garda Band, Army Vehicles, Weapons Display and Dublin Fire Brigade adding to the wonderful atmosphere.

Horse Show Ball

The Horse Show Ball at The Four Seasons Hotel, was hosted by Jack & Jill to mark the 2014 Horse Show Week at the RDS with proceeds raised going to Jack & Jill (with a percentage going to the Injured Riders Fund). The ball was a huge success with a night of lively entertainment, auctions and raffles. Many thanks to all guests who attended and all those who provided raffle and auction items for the event.

Sam's Lunch

Friends, both old and new, gathered together in the Four Seasons Hotel, Dublin on May 9th to remember a very special little boy at Sam's Lunch and raise much needed funds for the Jack & Jill Children's Foundation. As always the afternoon was a wonderful mix of great food, fun and banter, special guests and wonderful memories of Little Sam. Our sincere thanks to Jo, John and Amy for this annual event and here's to the 8th lunch next year!!

Golf in Mount Juliet

A fabulous day was had in Mount Juliet at this years annual Golf Classic. It was wonderful day with many of our regular supporters back together with a large number of new friends joining us on the course and for the dinner party in the beautiful Marquee.
