

The Jack & Jill Children's Foundation funds and delivers specialist home nursing care for very sick children across Ireland.

We call it The Gift of Time.

Every €16 funds one hour of home nursing care.

We deliver more than 100,000 hours per year.

Sign up your Company to our Jack & Jill County Champion Programme!

The Jack & Jill Children's Foundation is asking local businesses across Ireland to support our local Jack & Jill families by becoming a Business County Champion.

Will your business support Jack & Jill, become a Business County Champion and donate €1280 - which translates into 80 hours of home nursing care. The maximum amount of time that we can provide a Jack & Jill family in the community each month.

As a Business County Champion* you will receive a Certificate of Appreciation, a Jack & Jill digital communications badge and festive e-cards. In addition, you will have the opportunity to get involved in a range of Jack & Jill events throughout the year.

Did you know that Jack & Jill must raise over €3.5 million every year to fund what we do? Every €16 funds one hour of specialist home nursing care for an extra special child in your community and there is no waiting list! Today we support 350 families across the country.

We support children from birth to 5 years of age who have experienced neurodevelopment delay involving severe learning difficulties and we also provide end of life care. The journey and life experience of our precious Jack & Jill children is at the heart of everything we do and the funds we raise, provide vital support through our army of 700 community nurses and carers who make it possible for our families to care for their children at home. Words simply can't express what this support means and how special our nurses and carers are to our families.

Every Jack & Jill child is unique in their care requirements and the money follows the patient into the home. We fund more than 100,000 hours every year, giving exhausted parents a much needed break and an opportunity to do the things that most of us take for granted, such as the weekly grocery shop, picking up prescriptions from the pharmacy, spending quality time with their other children or simply catching up on much needed sleep.

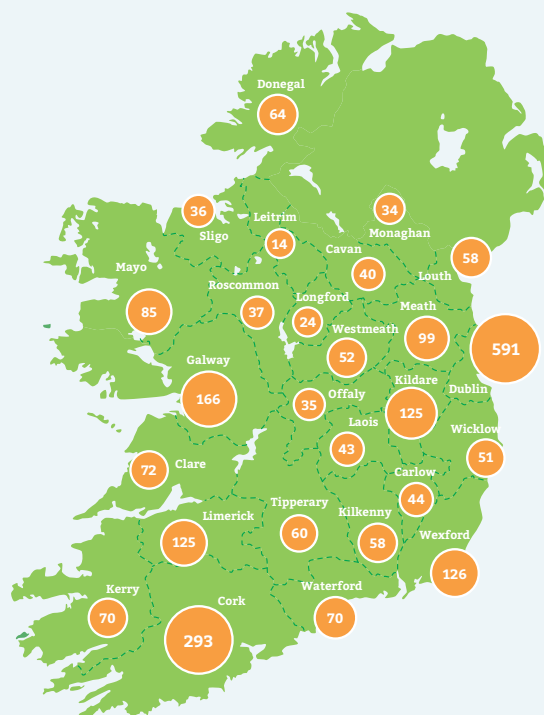

End of life care is also a very important part of what we do at Jack & Jill. Our dedicated, skilled and experienced team empowers parents to care for their child at home, and live their remaining days amongst their own family, friends and community. Will you support Jack & Jill in keeping these most vulnerable children and their families together?

To sign up contact michelle@jackandjill.ie or simply log on to jackandjill.ie/countychampion.

Thank you, on behalf of our children and their families.
Carmel Doyle (CEO - The Jack & Jill Children's Foundation)

* Jack & Jill Children's Foundation is an independent registered charity and as such contributions may be eligible for a tax deduction. If a company donates to an approved charity, the donation can be treated as a trading expense and so will be deductible expense for corporation tax.

Number of Jack & Jill Children we have helped nationwide since 1997

To me, The Jack & Jill Foundation is not just caring for sick children, it's caring for the entire family.

Family Quotes

Jack & Jill means the world to us as it provides the lifeline with respite, that enables us live a somewhat normal life.
