Message From Carmel Doyle, CEO, The Jack & Jill Children's Foundation

The Jack and Jill Children's foundation is appealing to business owners from all corners of Ireland to support their local Jack and Jill families by becoming a Business County Champion.

Since 1997, families of sick children from every community have welcomed us into their homes to provide vital specialised home nursing and end of life care. To date over 2500 extra special little ones have received this support lifeline, and currently there are 374 families under our wing.

*The Business community, small, medium or large can help make a difference to these families. Every €18 funds one hour of home nursing and we must raise over €4 million annually to provide our service. Our County Champion initiative is an appeal directly to business people at the heart of our communities. Your donation of *€900 would give a family a month's nursing care, while a very generous *€10,000 could contribute to a child's nursing costs for the whole year!*

By becoming a County Champion, you will receive a personalised framed Certificate of appreciation, window stickers, a Jack & Jill digital communications badge and festive Jack & Jill e-cards to let your customers know that you're a supporter. In addition, you will have the opportunity to get involved in a range of Jack & Jill activities throughout the year.

We support children from birth to 6 years of age who have experienced neurodevelopmental delay. Every Jack and Jill child is unique in their requirements and the money follows the patient into the home. The journey and life experience of our precious children is at the heart of everything we do and the funds we raise provide vital support through our army of 700 nurses and carers.

End of life care is also a very important part of what we do. Our experienced team empowers parents to bring their little child home and live their remaining days amongst family, friends and community.

To find out more about becoming a County Champion please contact Tina Priestley at tina@jackandjill.ie

Thank You on behalf of our children and their families.
